

VIÑA COBOS

VINCULUM

CHARDONNAY 2020

HARVEST

Hand-harvest at night with shears
February 19 to February 26, 2020

VARIETAL COMPOSITION

100% Chardonnay

APPELLATION

Valle de Uco

VINEYARD

Tupungato and Tunuyán, Valle de Uco, Mendoza. Located at high elevation: 3,330 to 3,845 feet (1,015 to 1,172 meters). Semi-desert climate.

SOIL

The soils are heterogeneous, with sand and rocky patches. Vines are planted on a pronounced slope, providing good drainage for the soils, and cool nights that contribute to even fruit ripening.

GROWING SEASON

The 2020 season recorded the earliest harvest in Mendoza's history. The exceptional health of the fruit stands out, providing well-structured wines with great balance and flavor concentration. In a warm climate, the strategic planning of the harvest points and logistics were key to achieving freshness, good acidity and maturity at its exact point to achieve excellent wines. The harvest began on February 18 with Chardonnay from Los Chacayes, Tunuyán and ended on March 27 with Malbec from San Pablo, Tunuyán.

AGING & BOTTLING

Aged for 12 months in new French oak (18%) in combination with steel tanks (82%). Malolactic fermentation (15%). Bottled in February 2021. Unfined.

TASTING NOTES

Its color is intense yellow with green tones. On the nose, it shows notes of white flowers, green apple, pear and white chocolate hints. On the palate it's tense, mineral, with a nice structure and a long finish.
